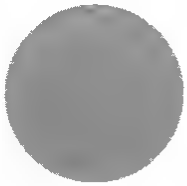
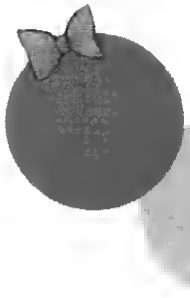
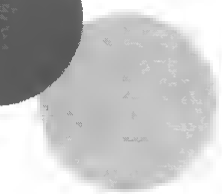
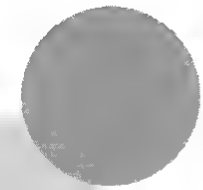
Girls' Union

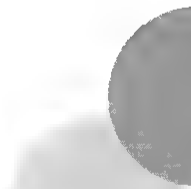


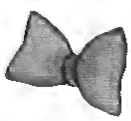




Morishima Akiko Presents





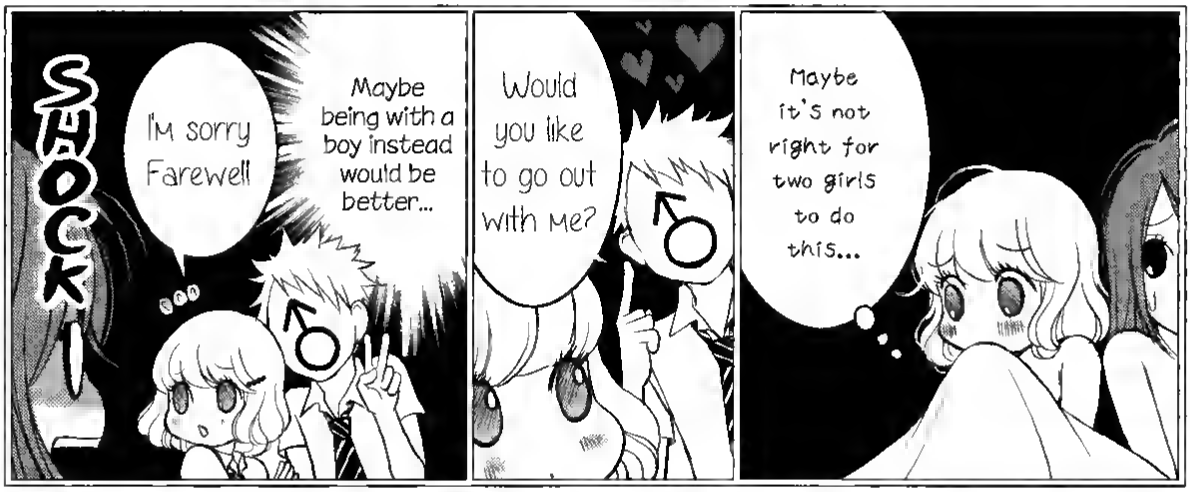


cherry girl
Every day as of recent,
I've been dreaming of being wrapped in the wings of an angel.

I'm the one who Tsukimiya-san told me that she loved.
I'm the one who became her girl-friend.
dazed
It's like a dream.
No... This must be a dream.
PHOTOGRAPHY CLUB
Negami-san! You're here!
You really did come to the club room!
Tsuki-miya-san!
WHOOOA
It's not a dream!
Ah... I have some things I'd like get done as soon as possible.
click
Working on that even on lunch break
You must really like photogra-phy!

Ah... This is reality...
Her hair and body is so soft.
Touching Tsukimiya-san like this...
It definitely feels better than a dream would.
If I'm not bothering you, would it be alright if I were here too?
Close
Of course!
If it feels this good even though we have our clothes on...
GULP
I wonder how good that would feel...
I-If we were naked right know...
rub

But the first time we'll do that together...
How will it be?
Nah...
It doesn't feel quite right.
But that would be too soon!
I'm definitely not that confident yet!!



SHOCK!
I'm sorry Farewell
Maybe being with a boy instead would be better...
Would you like to go out with me?
Maybe it's not right for two girls to do this...

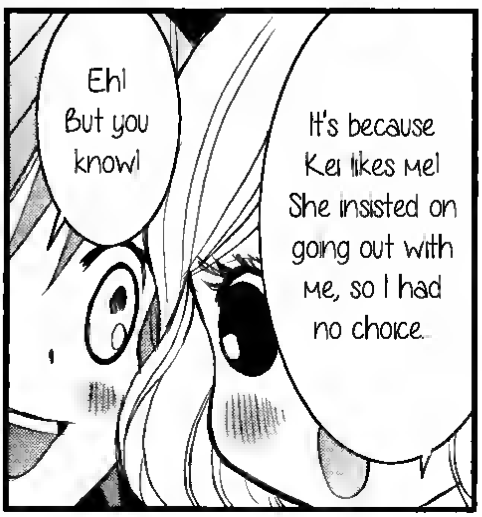
You two really are going out now!
It really surprised me!
I really do, though (then we can do THAT)!
C-can't we go photographing flowers in the park instead?
click
DARK ROOM
Are you doing anything for lunch break tomorrow?
W-would you like to come home to me?
NOOOOO!

And then all this blatant cuddling
Good for you, right!
cuddle
cuddle
cuddle
cuddle
cuddle
cuddle
WELL, I SHOULD BE THE ONE TO SAY THAT...

So Nana you do like Kei-san after all?
I-It's not that! I'm not the one who...

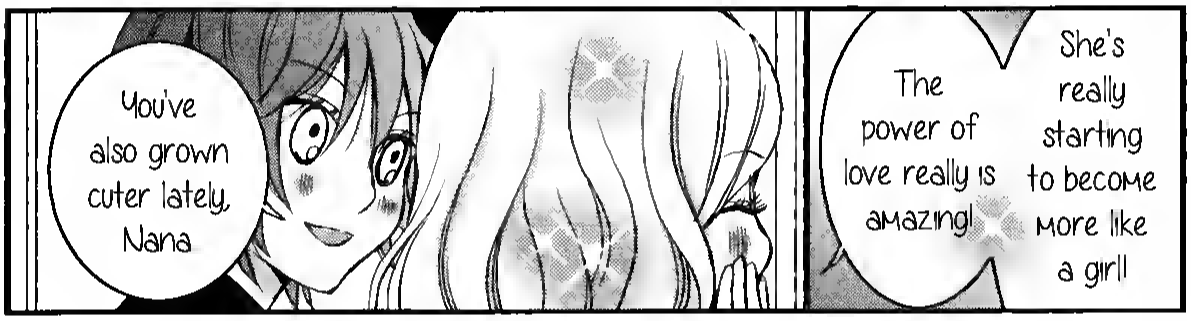
I hope I'm not disturbing coming here even though I'm not a member!
What are you two doing in the dark room now anyway?
With your shirt open like that

When I said I truly loved you,
you were blushing and started to cry
You don't have to say that! You idiot!
KYAA
Well I have some things I'd like to do, so could you please leave?

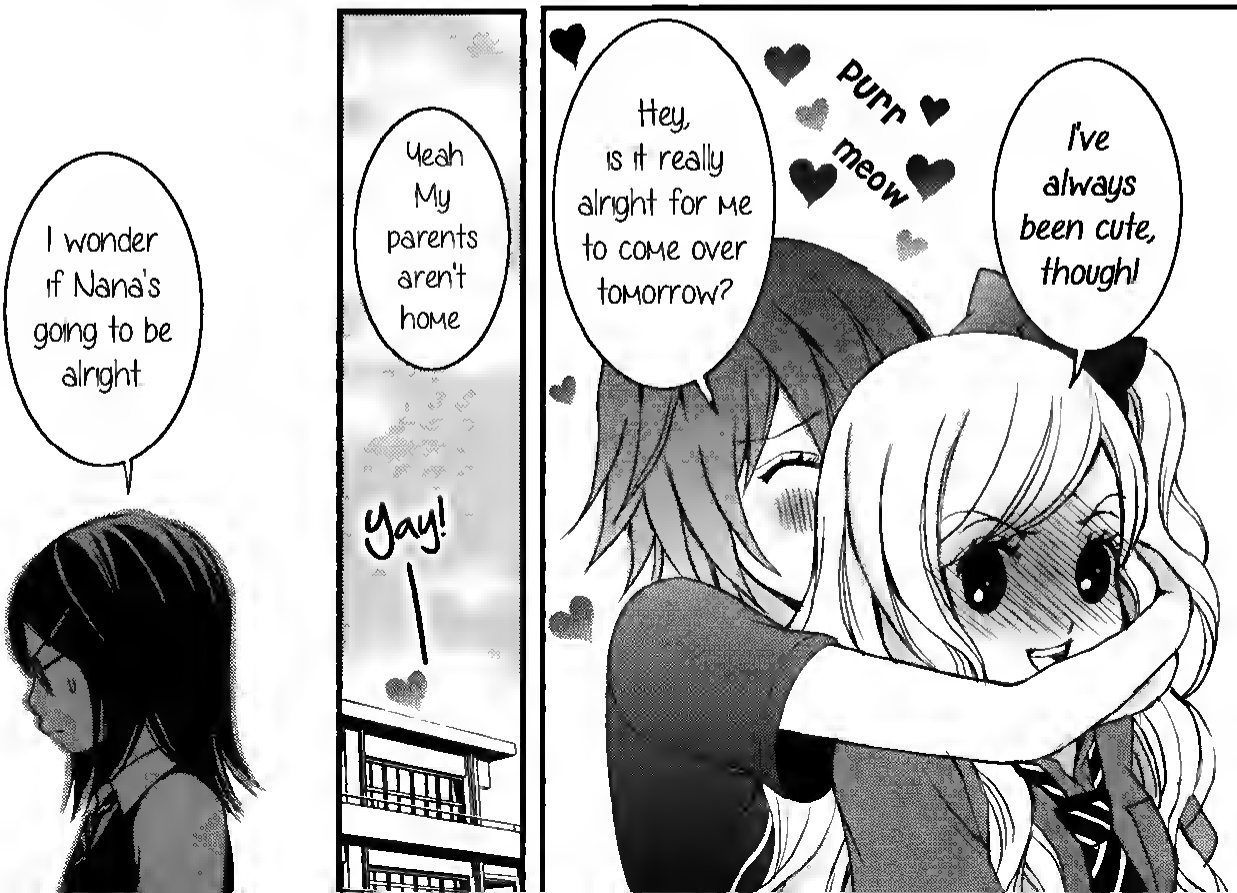


It's because Kei likes me! She insisted on going out with me, so I had no choice.
Eh! But you know!

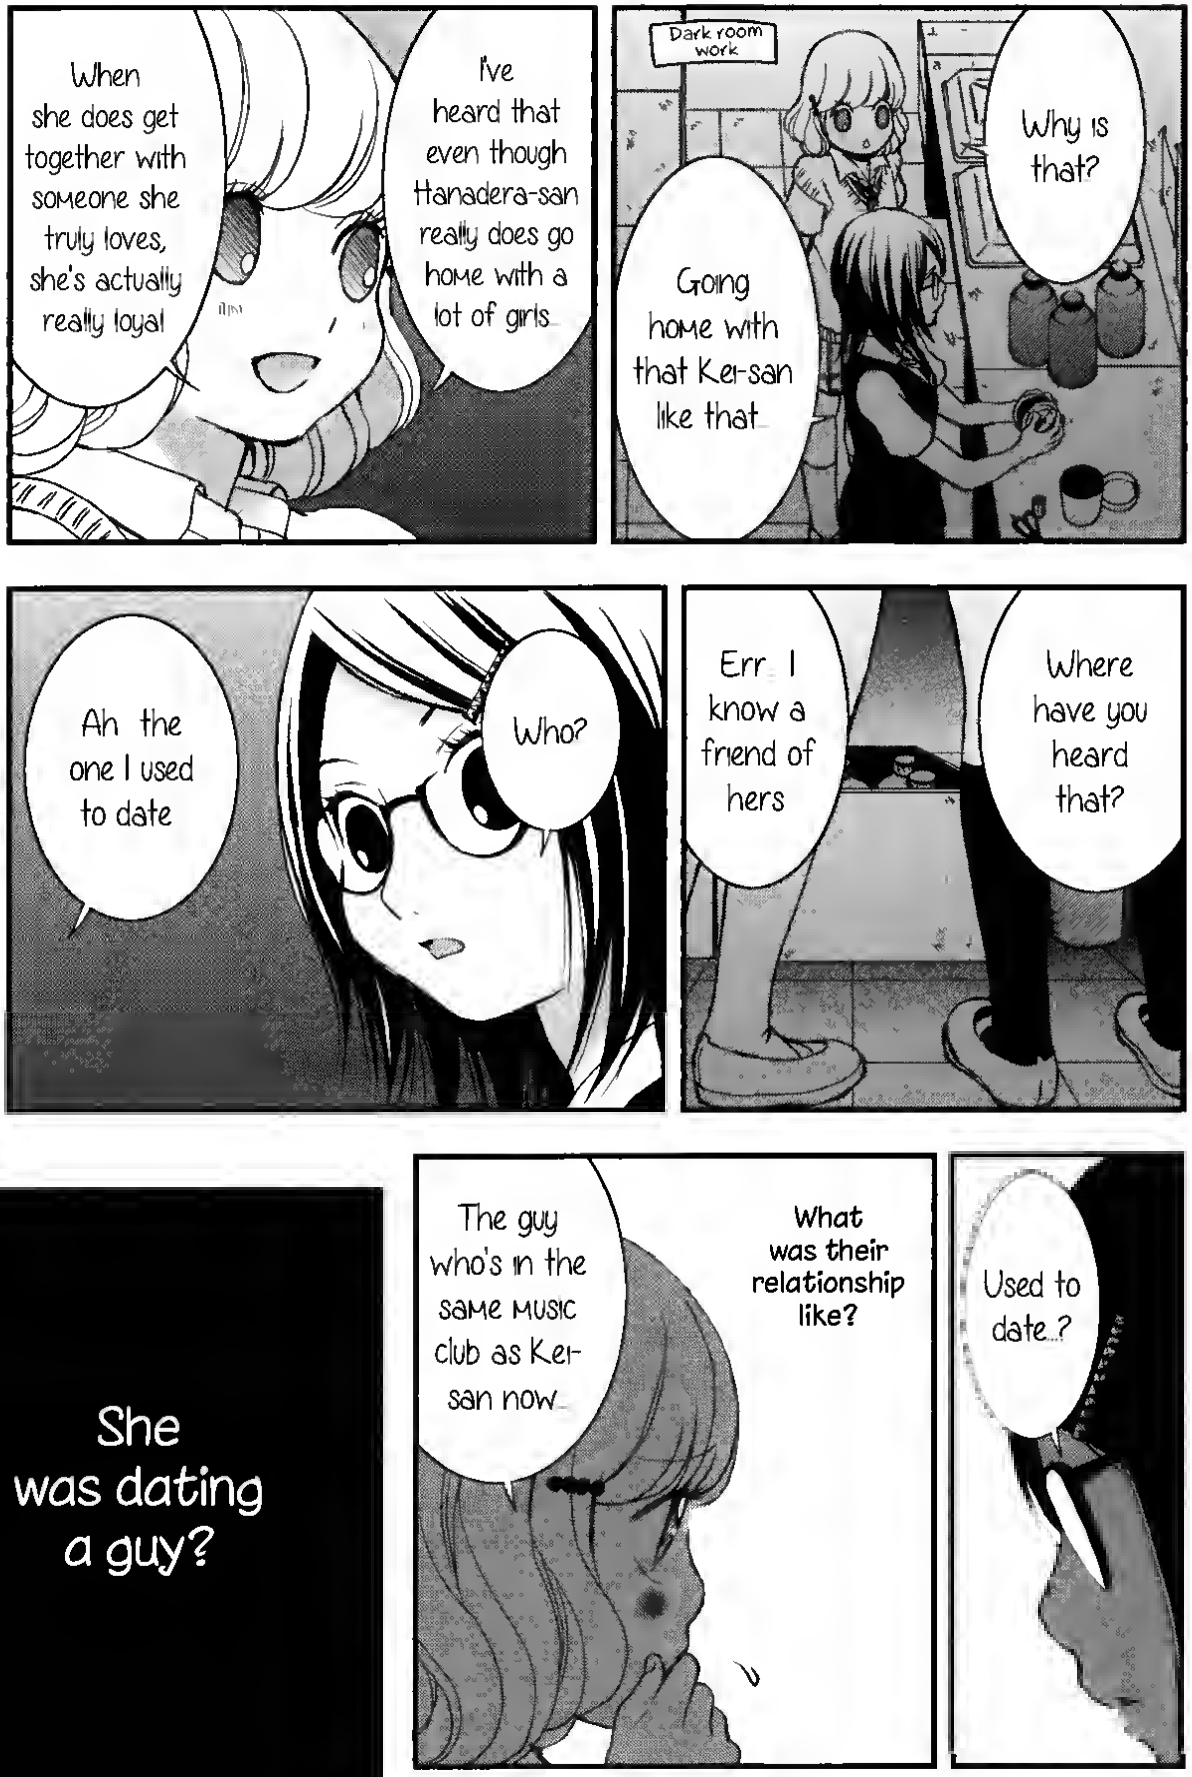
How she was before
sluggish
It's really admirable, isn't it?
It seems she's really worked for it!
Looking so obtuse as she did, I never thought she'd suit Tsukimiya-san
boo
So Nega-chan went back to using glasses
She's still cuter than she was before, though!
Even though we were there first!



You've also grown cuter lately, Nana
The power of love really is amazing!
She's really starting to become more like a girl!



I wonder if Nana's going to be alright
Yeah My parents aren't home
Yay!
Hey, is it really alright for me to come over tomorrow?
purr
meow
I've always been cute, though!

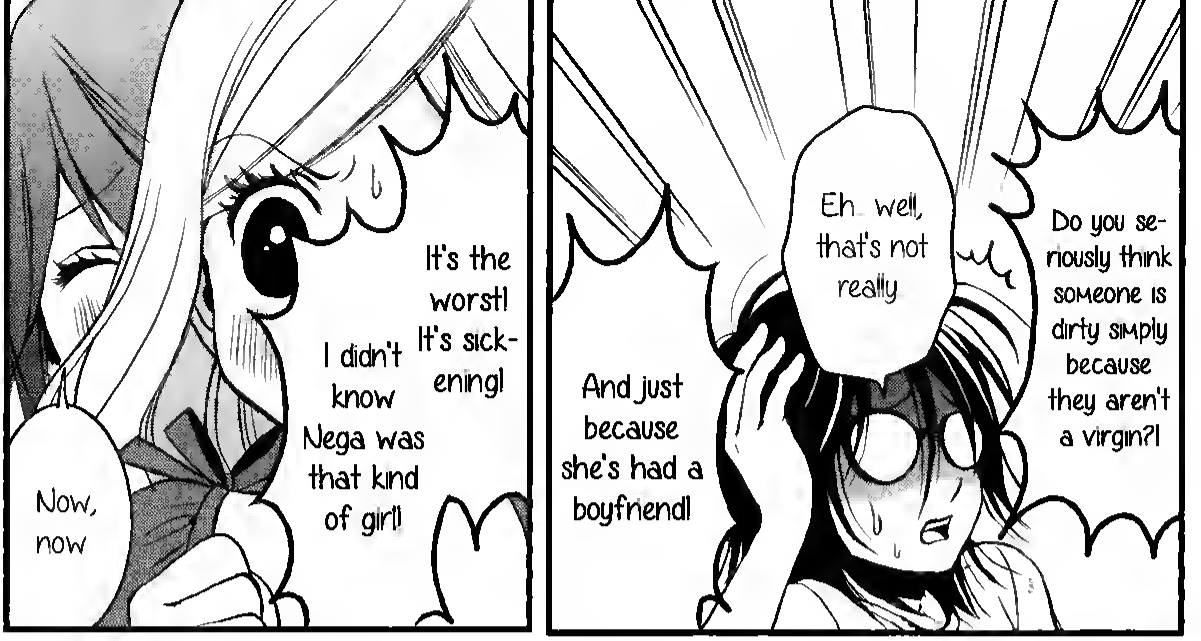


I've heard that even though Hanadera-san really does go home with a lot of girls...
When she does get together with someone she truly loves, she's actually really loyal
Dark room work
Why is that?
Going home with that Kei-san like that...
Where have you heard that?
Err... I know a friend of hers
Who?
Ah, the one I used to date
Used to date...?
What was their relationship like?
The guy who's in the same music club as Kei-san now...
She was dating a guy?

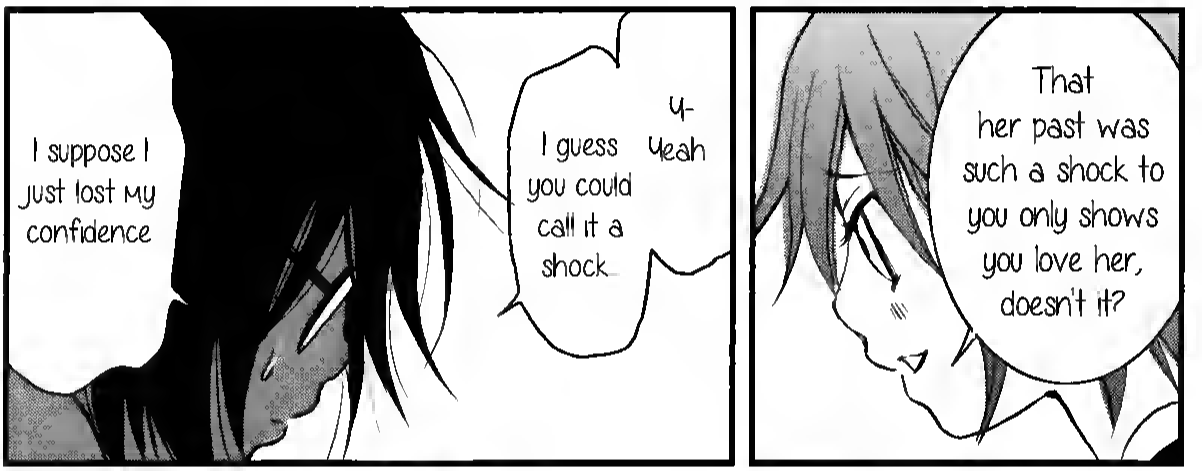
Kei just a second I'll turn off the light
It's daytime, so it'll still be bright, you know
Th-that's right Well
We even do this at school, don't we?
B-but I'm not completely naked at school
I want to see your cute body, Nana!
Do you think I'll be willing simply if you call me cute?
I don't
I'm sure you get to hear that all the time
Kiss
You're really popular with the boys, aren't you?
W-well, yeah
I don't really care much for when boys say that to me, though.
slip
Wow!
So beautiful
Ah
But when Kei says it to me,
I'd allow her to do just about anything.

You're really cute here as well
blush
Wh-what are you saying?!
B-but then I'll
Uh-huh I want to see better
Move your legs here a bit more
Eh more?
thump
Mm-mmh
Ah
A phone call?
Ah You should have turned that off
Shouldn't you answer it?
No, it's fine
ding dooong
ding dong
ding dong

I really thought she was such a pure girl, just like an angel
B-but that's not really how it was
TICKED OFF
DIE! YOU PURITY OBSESSED!!
THUMP
I... I- I don't think I should be with... Tsukimiya-san.
Why is that?!
WELL...
Weren't you two supposed to go dating in the park today?
CRUSHED
Coming here like this...
I'm really sorry.
Wh-what's wrong?!
You've gone back to the old dreadful Negai



Do you seriously think someone is dirty simply because they aren't a virgin?!
Eh... well, that's not really
And just because she's had a boyfriend!
It's the worst! It's sickening!
I didn't know Nega was that kind of girl!
Now, now



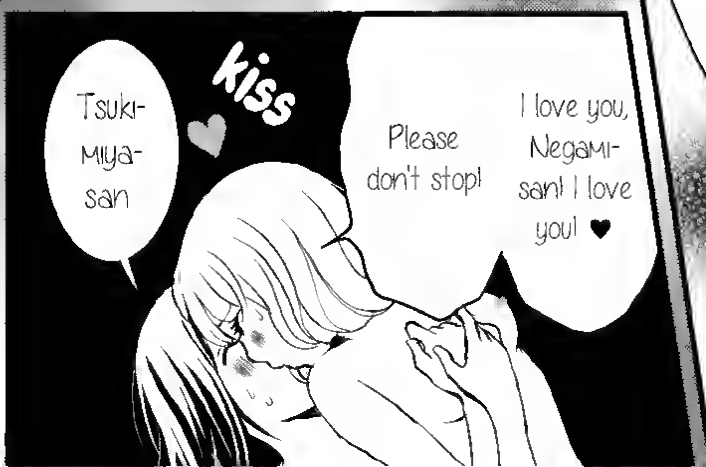
That her past was such a shock to you only shows you love her, doesn't it?
U-Yeah
I guess you could call it a shock...
I suppose I just lost my confidence

It just seemed to me that someone like me...
I'm not really one to date a girl like Tsukimiya-san
It's alright, you know!
GRIN
It's exactly because you're a girl as well
that you understand what she wants, right?

I'm a girl just like Tsukimiya-san,

I...

I-Is that so?



That's not how it is!
If you're bad at it, it doesn't matter if you're a girl or a boy
Right?!
That it would feel better with a girl is just a dream, really
Even I wasn't too good at first heh heh
Is that so?!
Well, something like that...
I can't
I can't let go of you!
kiss kiss
Yes I won't let go
A woman's heart... is that even possible for someone like Nega?
Even you must understand a woman's heart, Nega-chan
I'm speaking from experience now ♥
Well, you really just have to get some experience with that
That doesn't feel like a compliment, though
Eh ah is that so?
Good thing you were born a girl!
That's for the better!
Exactly. It isn't!
Certainly if Nega was a boy it would probably be hopeless
hmm
That's not true Boys are entirely different Trust me

What about "Even I wasn't too good at first"?
I've dated a lot of boys, so that's what I was thinking of

Kei said it didn't go too well with her first girlfriends either, didn't she?
You just have to keep at it!
I didn't say that, you know

HUH?!
They're so curious and so full of energy
Well, boys were fun in their way
But I suppose I like girls better!
It's just so cute!

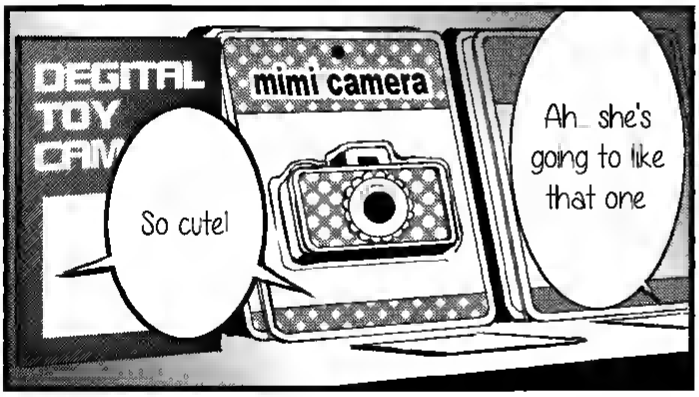
...
I love you, Nana ♡
Ah, right Tsukimiya-san's former boyfriend, wasn't it?
He's the guy playing bass in my music

Don't touch me! You slut!!
SHOVE
Ehh?!

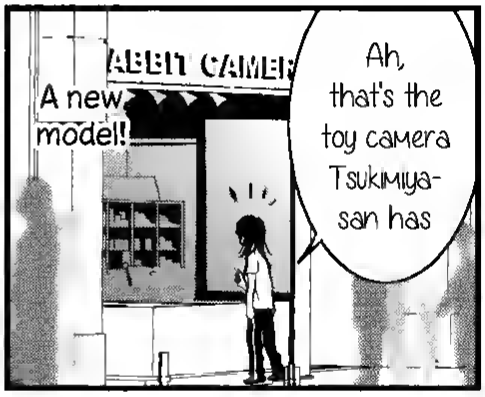
You shut up, Nega!
C-Calm down, Nana
Waah!
slap slap
Are you obsessed with purity, too?
So you're a slut if you've had a boyfriend?
But I'm not going out with them!
I-I suppose!
I'm going home...
I-I should probably be leaving.
sneak sneak
Aren't you the one popular with the boys?
DON'T GRIN LIKE THAT!
But
F-for me, this is the first time!
Going out with someone

Tsukimiya-san's feelings as a girl...
My feelings as a girl...
Well

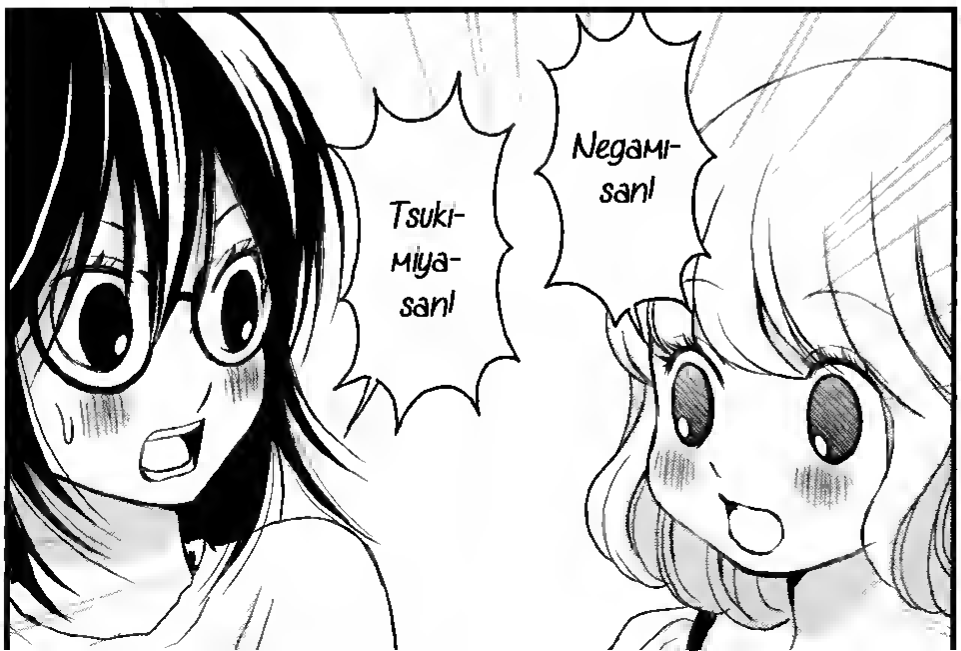
I don't understand this at all.
I suppose we like taking photos together.
But we really like quite different things about photography.
But Tsukimiya-san likes cute photos
I love cameras and sorrowful pictures



DEGITAL TOY CAM
mimi camera
So cute!
Ah... she's going to like that one



A new model!!
Ah, that's the toy camera Tsukimiya-san has



Tsuki-miya-san!
Negami-san!

Huh?

COUGH COUGH
Yes! B- but I'm still coughing a little!
That's right! I told her a had caught a cold and couldn't go to our date!
Ah! I've got a mask with me!
Wh-what a coincidence!
We both go to this store a lot.
Is it alright for you to go out already?
Huh?
RABBIT CAMERA
That's no good You shouldn't overdo yourself
I really do love her.
This gentle smile of hers.
There
H'm so sorry

heh heh
Your eyes say you love me,
I love that
You know
Yeah?

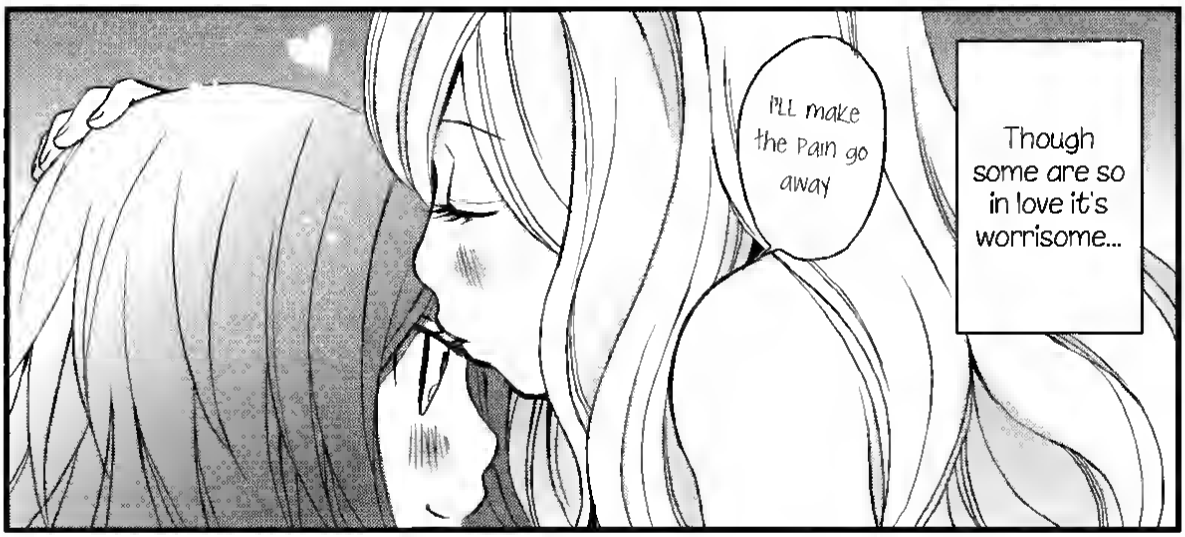
Me too
Ah... Since...

Please forgive me
clench
What is it?
I couldn't even trust Tsukimiya-san's feelings.
I'm so sorry
Since I couldn't trust myself.

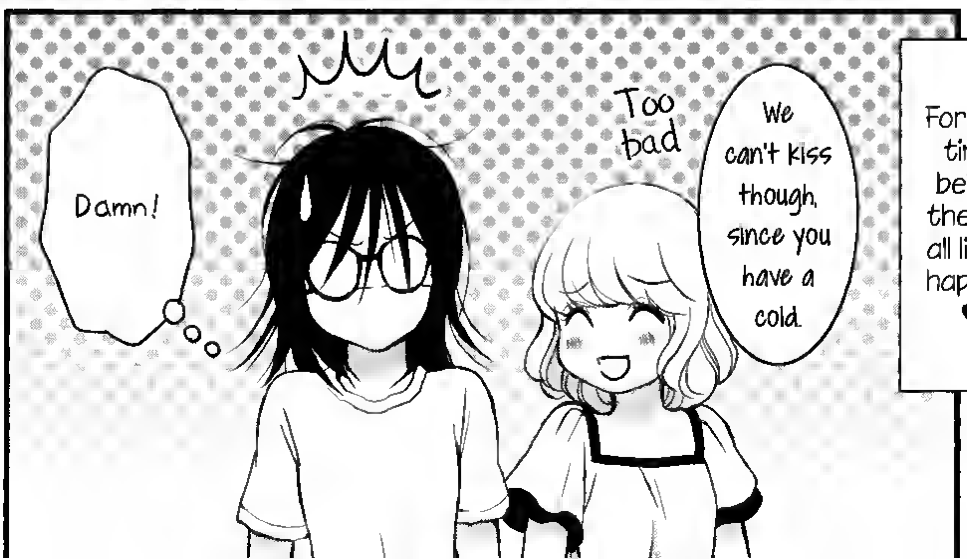
But I'm going to trust her!
The past has nothing to do with anything!
I love everything about you right now, and that's all!
You know... my former boyfriend...
Th-that has nothing to do with it!
Were you worried about the guy I was dating?
Perhaps...
GULP
Even though I'm not confident in myself yet.
I can still trust Tsukimiya-san's feelings.
About Tsukimiya-san's boyfriend...
It seems they were dating back in junior high school
NO!
grab
I'll tell Nega-chan about it too, so she knows what actually happened
Tsukimiya-san is really quite strange too...
LET-TERS ?!
Nowa-days?!
Well, it wasn't dating as much as exchanging letters with each other

Through this and that...

Even though you hit me because of that
That hurt
OTHERWISE IT'S NOT REAL LOVE!
SHE MUST LOVE HER EVEN IF THERE'S BEEN THINGS LIKE THAT IN THE PAST!



Though some are so in love it's worrisome...



For the time being, they're all living happily. ♥
